ABOUT US

NEXUS is a **SMART SPACE STYLING** company, providing automation solutions for Homes, Hotels and Hospitals. At NEXUS, we offer the most affordable, scalable and customized lifestyle solutions, based on an individual or family's day to day lifestyle. Our single mobile application can control more than just Lights, Fans, Shades, Door Locks, Music System, Home Theatre Systems, Electronic Security Systems & every other feature available globally. With more than **15 years of experience** on our hands, our systems are seamless and carry warranty up-to 24 to 36 months. For the most affordable & user-friendly lifestyle experience, call us today for a free site visit & estimation. You can also visit our Life-Style Experience centres at Tardeo & Ghatkopar.
